## Southeastern U.S. Mine Safety & Health Conference

**October 31 - November 2, 2006**

### "Partnering to Protect Our Miners"

Welcome to the **ONLY** conference that focuses on the  
**mine safety and health issues of the entire Southeastern U.S. region.**

By bringing together contractors, management, labor, educators, and state and federal agencies,  
this premier event encourages attendees to learn from one another and  
improve partnership opportunities as never before.

Originally built in downtown Nashville, TN in 1869, The Maxwell House became one of the country's best-known hotels. President Theodore Roosevelt praised the coffee as "good to the last drop," and the remark has traveled with Maxwell House Coffee around the world.
